

Strong, progressive and driving for excellence

Nalcor Energy is focused on excellence to drive the growth of a diversified and viable energy business. We also have a passion for safety, the environment, our people and our communities. Our greatest asset is our people, a team of professionals who share a set of common core values: honesty & trust; open communication; accountability; safety; teamwork; respect & dignity and leadership. We're looking for people who have a drive for excellence; a passion for growth and want to be part of a team that is making a difference.

Legal Counsel II

Competition #: NE-19-013

Location: St. John's

In this role you will provide legal, commercial and strategic advice and guidance to senior and other management and employees at all levels of the organization on a wide range of matters. You will provide legal services of an advanced nature, including providing legal advice and guidance on preparation and negotiation of agreements, major commercial matters, legislative compliance and other related matters.

You are responsible for your personal safety and that of co-workers by observing and promoting the company's Safety and Health Program and responsible for any environmental aspects of the job and performing work in an environmentally responsible manner.

You will have graduated from a recognized university with a Bachelor of Laws degree and must be, or be eligible to be, a member of the Law Society of Newfoundland and Labrador. You will have a minimum of five (5) years experience as corporate counsel or equivalent experience providing legal advice and services in the areas of corporate and commercial law. Experience in the areas of procurement, commercial construction matters, energy law and dispute resolution would be valued.

CLOSING DATE: February 26, 2019
